Roughan Interiors Design >

Roughan Interior Design is the international design firm of celebrated interior designer Christina Sullivan Roughan. Roughan's work is marked by its timeless sophistication, mixing of mid-century and antique furnishings, select objects and art, and its deft combinations of texture and subtle color. She and her team have designed interiors throughout the world and her client range is as diverse as their locations. Roughan has been featured in *Connecticut Cottages & Gardens*, *Interior Design*, *House Beautiful*, *Elle Décor*, *Greenwich*, *Quest* and Andrew Martin's *Design Review*, among other publications. "My favorite part of designing interiors is the installation, when everything comes together and we bring a home to life," she says.
